

Cost Effectiveness

In the current scenario of international medicine where the cost of medical treatment is skyrocketing in the U.S and Europe, Malaysia's healthcare service comes as a relief to patients all over the world. With highly specialized hospitals and medical faculties trained in some of the most esteemed medical institutions in the world, Malaysia confidently claims of a medical care that supersedes in quality and affordability.

Malaysian healthcare is specialized in all medical disciplines and performs some of the most difficult treatments in the world. The cost of treatment is 14 times cheaper than the U.S and a whopping 45% lower than the neighboring Singapore. The patients are also not subjected to the hassles of long waiting lists.

Cosmetic surgeries like rhinoplasty which are very common in the U.S costs the patient around 5000-6000\$(USD) while in Malaysia the same would come up to only 600-1400\$(USD). The disparity is proof of the cost-effective nature of Malaysian procedures, thereby boosting the inflow of tourists from all over the world, especially from the Western countries. Dentistry is another category that comprises of expensive treatments that are not generally covered by medical insurance in the U.S. For e.g. imagine the burden of a dental bill as huge as \$2170 in the case of a complete upper and lower denture in U.S. Without insurance, it seems like a luxury one cannot afford. However in Malaysia the same would cost you only \$530, merely 25% of that in U.S, permitting you to take advantage of a vacation alongside, a luxury that's does not seem so extravagant after all.

This leaves scope for incorporating a suitable vacation considering the amount of money saved and the tourism possibilities in a rich country like Malaysia. And what's more you still spend only lesser than what you would have, in order to undergo the medical treatment alone in the U.S or U.K.

Malaysia has therefore come out with special healthcare packages that incorporate a complete tour itinerary comprising of the treatment and holiday plan, transport, tour assistance as well as hotel accommodation, for those who would like to take advantage of their visit to Malaysia. The packages prices are a true steal considering the money and time saved having chosen Malaysia as your treatment destination. For those who like to plan their own holidays, we offer options for choosing your holiday type through our services, to create your very own customized treatment cum holiday package (subject to the approval by the treatment physician in Malaysia).
